President's Note

The 2019 – 2020 Fort Wayne Photography Club Changes!

Hello members,

The Joint Executive Board meeting was held on June 14th and several decisions were made that will result in changes in the way the club operates for the 2019 / 2020 season. These changes include:

- Deleted "SWMCCC Delegate",
- Changed "Webmaster" to "Digital Media",
- Kept 5 Digital competitions and 3 Print competitions the same as the 2018 / 2019 season,
- Updates to the 2019 / 2020 Schedule of Events,
- Selection of Category Themes for 2019 / 2020 season.
- Digital Novice category will no longer be judged but will have judges provide "Feedback Only" on the submitted images.
- A workshop has been scheduled for December and the Annual Christmas Party is TBD

Meeting Hours

The board decided to set competition hours from **7:00pm to 9:00pm** for events held at Artlink.

Print Competition

The FWPC Board decided to keep the same number of Print and Digital competitions as we had during the 2018 / 2019 season. There will be three print competitions and five digital competitions. In addition, there will no longer be Novice and Advanced sections for print competitions. So Novice and Advanced will both compete together under each theme. Club members will be able to enter up to four images for each print competition. However, you can only enter one print per category. Print entries will be accepted from 6:30pm to 7:00pm on competition nights.

Print entries will be accepted 30 minutes prior to 7:00pm. Maximum size for the print matt is 72 inches which is a measurement of the matt / print's height and width times two (16 inches + 20 inches times 2 is 72 inches for example).

Digital Competition

Digital images will need to be submitted via email to the FWPC web site (fwphotographers.com) **no later than Sunday at midnight before competition.**

There will still be two groups, Novice and Advance. File size and marking remain the same as last year.

Schedule Of Events and Category Themes

The 2019 / 2020 Schedule of Events and Category Themes are included in later sections of this Cable Release and will be included in the monthly Cable Releases.
